

## Introducing our new Holiday Home Policy

We are pleased to introduce our new bespoke Holiday Home Insurance policy. Designed by Ryan's in connection with UK General Insurance Limited on behalf of Ageas Insurance Limited. After spending time speaking with holiday home owners and selling holiday home insurance, we recognised the need for a specialised policy and were pleased to be given the opportunity to write our own policy. Here is a brief description of it's benefits:

### Cover available:

- Buildings & Contents
- Accidental Damage by Paying Guests
- Loss of Income
- Public & Employers and Property Owners Liability
- Theft Including Theft by Guests
- Guests and Employees Personal Belongings
- Loss of Keys
- Holiday Home Professional Fees Policy

We recognised the importance of providing customers with complete cover, that's why we felt it important to include accidental damage and theft cover by guests as well as you the owner, after all, we all have accidents!

We also simplified the unoccupancy clause giving customers 30 days before the property needs to be regularly inspected.

We are confident that our new policy provides the right cover for your Holiday Home and we look forward to telling you more about it.
